

## August 22... Alert on Immigration

### What's Happening?

This September the United Nations and President Obama will host summits about the refugee crisis with world leaders. Global goals include: increasing humanitarian aid by 30%; doubling the number of refugee resettlement and admission opportunities; guaranteeing the right to work for 1 million more refugees; ensuring access to education for 1 million more refugee children. Join us in calling out the U.S. to lead by example. To sign the postcard online, go to <http://bit.ly/refugeepostcard>. To print copies of the postcard to sign and mail to the Maryknoll Office for Global Concerns, go to <http://salsa4.salsalabs.com/dia/track.jsp?v=2&c=CuTyGfBcWNBiHQyyDj%2FaJNjeEQvgeQxA>. **On August 12, because of a 5-year campaign led by home cleaners, nannies, and home care workers, the governor signed the Illinois Domestic Workers Bill of Rights into law!** This historic victory means domestic workers will now be included in basic workplace protections including the minimum wage, one day of rest per week, and freedom from sexual harassment.

### **Action One: Prayer**

Mary and Joseph, you were internally displaced as you searched for shelter to give birth to your child. No room was made for you at the inn; no compassion was shown to you as a refugee. Tragically humanity's cruelty towards refugees and asylum seekers has occurred over and over again throughout history. Today some children are kept in immigration detention centers. Traumatized and afraid they wait for an uncertain future. God of comfort be present to those children living in detention centers crying out for justice. Let them know your peace. God of mercy, help us find the courage and compassion to end child detention and bring about a system rooted in your love for all humanity. Amen.

Hilda is a Guatemalan woman and an asylum seeker who fled for her life and has lived in the U.S. for 2 years.
