Action One: Prayer

Good and gracious God, we pray for all people who are migrating particularly those who are forced from their homes or separated from their families because of threats of violence and persecution. We ask that you protect and keep them safe. Although we come from different countries, and have our origins in different cultures, we were all created by you, and are made in your image, and therefore we all share an inalienable dignity that is deserving of respect. Lord, we ask that you give us the strength to defend those who are marginalized, to give aid to those in need, to come to the defense of those who are poor or vulnerable, and to welcome those who are on the move into our homes and into our hearts. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, forever and ever. Amen. (USCCB)

NATIONAL LEVEL - Time to push Congress to do the right thing. Sign our petition and send a message that we are sick and tired of Trump's anti-immigrant agenda and that Congress must pass the Dream Act now. <http://nilc.cp.bsd.net/page/signup/nilc-spendingbill?source=em180329-full>

NATIONAL LEVEL - Rep Goodlatte's immigration bill (HR 4760) would deport Dreamers who failed to earn enough money. It would also: *dramatically* cut legal immigration, slashing the ability of US citizens to sponsor family members and eliminating the diversity visa category altogether. Reject this bill. Contact your Representatives and demand a solution for Dreamers. http://salsa4.salsalabs.com/o/51467/p/dia/action4/common/public/?action_KEY=24582
