### Action One: Prayer

Lord Jesus, today you call us to welcome the members of God's family who come to our land to escape oppression, poverty, persecution, violence and war. Like your disciples, we too are filled with fear and doubt and even suspicion. We build barriers in our heart and in our minds. Lord Jesus, help us by your grace, to banish fear from our hearts that we may embrace each of your children as our own brother and sister; to welcome migrants and refugees with joy and generosity while responding to their many needs; to realize that you call all people to your holy mountain to learn the ways of peace and justice; to share of our abundance as you spread a banquet before us; to give witness to your love for all people as we celebrate the many gifts they bring. We praise you and give you thanks for the family you have called together from so many people. We see in this human family a reflection of the divine unity of the one Most Holy Trinity in whom we make our prayer: Father, Son and Holy Spirit. Amen. (USCCB)
