

Thank you for your interest in attending our Migration Week Celebration Event on September 25, IMAGINING A WORLD OF INCLUSION.

HOWEVER, it is unfortunate, because of the current health concerns of the pandemic that we will be postponing this event to the Spring, trusting that, by that time, all will feel safe enough to join together in sharing our common concern for our immigrant brothers and sisters.

THE GOOD NEWS is that we will still be holding a WITNESS/VIGIL to protest the continuance of Title 42 (denying entry into the U.S. without a hearing or any proof of contagion) as well as to support all our immigrant brothers and sisters.

THIS VIGIL will take place Saturday, September 25 from 10:00 – 11:00 am at the intersection of Ashland / Division / Milwaukee (near the Blue Line). Bring your own signs (we can provide a few) and your support and join us in solidarity.

Thank you so much for your interest in “imagining a world of inclusion.”
